SUBJECT: Claim Under Federal Tort Claims Act –

STATOTHR

1. The subject individual has filed an administrative claim under the Federal Tort Claims Act (FTCA) against the Agency for invasion of privacy. Among other things, the claimant alleges that the CIA directed or engaged in the following acts against him:

    a. tape recording of personal and private conversations;

    b. bugging and wiretapping of his home, automobile, and work location;

    c. publication and distribution of derogatory and/or untrue statements;

    d. wrongful and illegal investigation;

    e. harassment due to personal and political beliefs.

2. While the alleged acts, even if true, would appear to constitute conduct to which the U.S. has not waived immunity under the FTCA, this Office must be advised if they have a basis in fact. Therefore, it is requested that you provide this Office with any information you have pertaining to the claimant in order that we may determine a proper course of action in the case.
